*"We strive to offer a variety of innovative, environmentally friendly, and economically priced products that provide optimal protection for moving and safe, temporary storage."*

**Kleer-Guard**  
 RECYCLE | REUSE | CHOOSE  

We at Kleer-Guard® understand plastic is a necessity for certain items. As an industry leader, we are committed to green innovation and producing eco-friendly products at affordable prices without sacrificing quality.

Kleer-Guard is proud to offer eco-friendly mattress bags and covers made from at least 40% recycled materials and is 100% recyclable.

Sustainability is a core principle driving the future of Kleer-Guard products. Through innovation and education, we hope to reshape the moving & storage market and reduce its overall environmental impact.
